Zoo
20/3/20

Scholastic Book Fair
20th to 25th March

Welcome to this week's newsletter!

Coronavirus

Please see the emails that were sent to parents today regarding this. We will continue to follow the daily updates and advice from the DFE, which for the time being is for school to remain open. If anything changes, we will let parents know by email / text / Facebook and Twitter.

Public Health England have published new advice for anyone with a new continuous cough or high temperature to stay at home for 7 days. If your child has these symptoms, however mild, please keep them at home.

Contact Details

Please ensure you have told the office if any of your contact details have recently changed, so we have the most up-to-date contact details for everyone.

Scholastic Book Fair

We will be hosting a Scholastic Book Fair in school from 20th to 25th March. The Book Fair will be open at home time each day for you to come and look through the range of books available and place your orders. World Book Day vouchers can be put towards the cost of a book at the fair.

Non-Uniform Day

Pupils are invited to come to school in non-uniform on Thursday 19th March.

British Science Week

We hope that you are enjoying investigating together for homework this week, with the pack of science experiments sent home by Miss Handley. Please send in pictures of you carrying out your experiments or tweet them at @EatonPrimary – we would love to see how they have gone!

Wishing you all a lovely weekend!
