half term
12/2/20

INSET Days
13/2/20
14/2/20

Parents' Evenings
Tues 10/03/20
Thurs 19/03/20

Welcome to this week's newsletter!

Safety Officers

Two of our Year 6 pupils have the important role of Junior Safety Officer and will be delivering important safety messages to our pupils throughout the year. They led their first whole school assembly this week, telling the pupils about how to keep their property safe and launched a quiz for pupils to take part in. They are in the process of setting up a noticeboard in school to share important information with pupils on various aspects of safety such as road safety, internet safety and being able to be seen, if out when it's dark.

Unwanted Lego

If you have any unwanted Lego at home, Lego Club would be most grateful for any donations.

World Book Day - Thursday 5th March 2020

To celebrate World Book Day, children (and staff!) are being challenged to 'Get Caught Reading'. Children can be caught reading in any place that they would like, and some suggestions have included reading to a pet, reading in the shed and reading whilst brushing teeth!

Please can any children wishing to take part bring a photograph of themselves being caught reading into school so that we can display all of the weird and wonderful places that we enjoy reading in! On the reverse of the photograph please include your child's name, year group and where they were caught reading. Please can photographs be brought to school by Thursday 5th March. Photographs of your child reading can also be tweeted to us using @EatonPrimary.

Pupils are also invited to come to school dressed as their favourite character from a book on 5th March.

Wishing you all a lovely weekend.

Kind regards
Lorraine Skellon
